

# Hank Snow, I Love You Because

(I love you most of all because you're you)  
I love you because you understand dear  
Every single thing I try to do  
You're always there to lend a helping hand dear  
I love you most of all because you're you

No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me  
But most of all I love you cause you're you  
[ guitar ]  
I love you because my heart is lighter  
Every time I'm walking by your side  
I love you because the future's brighter  
The door to happiness you've opened wide

(No matter what may be the style or season  
I know your heart will always be true)  
I love you for a hundred thousand reasons  
But most of all I love you cause you're you
