

Hank Snow, Invisible Hands

Invisible hands are waiting to guide you
Invisible hands will show you the way
Have faith in the Lord he's always beside you
So pray and believe and help to receive from invisible hands

Invisible hands (are waiting to guide you)
Invisible hands (are always beside you)
So pray and believe and help to receive from invisible hands
[organ]
Invisible hands will keep you from danger
Invisible hands will keep you from harm
Though may have sin God welcomes a stranger
So pray and believe and help to receive from invisible hands
Invisible hands (are waiting to guide you)...
