

# Hank Snow, Little Stranger (In A Manger)

Little stranger in a manger little stranger sweet and mild  
Mother Mary daddy Joseph watch o'er you their holy child  
Searching for you to adore you come Three Kings led by a star  
Little stranger in a manger they'll find heaven where you are  
Choir of angels are singing this night of your birth  
Praise and glory to the highest in a stable on earth  
Humble shepherds filled will wonder kneel and pray by lantern light  
Little stranger in a manger bless our soul this holy night  
Choir of angels are singing this night of your birth  
Praise and glory to the highest little stranger here on earth
