

Hank Snow, Pearly Shells

Written by John Kalapana-Leonpobar

Recorded by Hank Snow

Pearly Shells,from the ocean.
shining in the sun,covering up the shore
When I see themMy heart tells me that I love you,More than all the
little pearly shells.

For every grain of sand upon the beach,
I got a kiss for you.And I've got more left over,
for each star,that twinkles in the blue,
Pearly Shells,from the ocean,shining in te sun,
covering up the shore,
When I see them,My heart tells me that I love you ,
More than all the little Pearly Shells

MUSIC

For every grain of sand upon the beach,
I've got a kiss for you,And I've got more left over,for eac star that
wtinkles in the blue.

Pearly Shells,from the ocean,shining in the sun.
covering up the shore,When I see them,
My heart tells me that I love you ,
More than all the little Pearly Shells
More than all te little Pearly Shells
