

# Hank Snow, Ribbon Of Darkness

Ribbon of darkness over me since my true love walked out the door  
Tears I never had before ribbon of darkness over me  
Clouds are gathering o'er my head they chill the day and hide the sun  
They shroud the night when day is done ribbon of darkness over me

Rain is fallin' on the meadow where once my love and I did lie  
Now she's gone from the meadow my love goodbye  
Ribbon of darkness over me where once the world was young as spring  
Where clouds're blooming birds would sing ribbon of darkness over me

In this cold room lying don't want to see no one but you  
Lord I wish I could be dying to forget you  
How I wish your heart could see my mind just takes the breaks of day  
Come on back and take away ribbon of darkness over me  
Come on back and take away ribbon of darkness over me
