

Hank Snow, The One Rose, That's Left In My Heart

The One Rose (That's Left in My Heart)

You're as sweet as the red rose in June dear
I love you, adore you, I do
Each night through love land we'd wander, sweetheart
Telling love stories anew

Out of the blue skies a dark cloud came rolling
Breaking my heart in two
Don't leave me alone,
I love only you
You're the One Rose that's left in my heart
