

Hank Snow, Tip Of My Fingers

(I had your love on the tip of my fingers)

[guitar]

I reached out my arms and I touched you

With soft words I whispered your name

I held you right on the tip of my fingers but that was as close as I came

My eyes had a vision of sweet lips yeelding beneath my command

I had your love on the tip of my fingers

But I let it slip right through my hands

But I let it slip right through my hands

Somebody took you when I wasn't looking

And I should have known from the start

It's a long long way from the tip of my fingers

To the love hidden deep in your heart

To the love hidden deep in your heart

[guitar]

It's a long long way...
