Hank Snow, Tip Of My Fingers

(I had your love on the tip of my fingers)
[guitar]
I reached out my arms and I touched you
With soft words I whispered your name
I held you right on the tip of my fingers but that was as close as I came
My eyes had a vision of sweet lips yeelding beneath my command
I had your love on the tip of my fingers
But I let it slip right through my hands
But I let it slip right through my hands

Somebody took you when I wasn't looking And I should have known from the start It's a long long way from the tip of my fingers To the love hidden deep in your heart To the love hidden deep in your heart [guitar] It's a long long way...
