

# Hank Thompson, Don't Look Now (But Your Broken Heart Is Showing)

He left you flat and crying too the way that you left me  
Just when you thought that you had things your way  
But now I guess you know my dear what it means to be blue  
For consolation here's all I can say

Don't look now but your broken heart is showing  
That smile upon your face cannot fool me  
You're to blame and if I have a way of knowing  
That within your heart is only misery

Cause you're the one that left me deep in sorrow  
Without a soul to tell my troubles to  
So don't look now but your broken heart is showing  
And to me it sure looks good on you  
[ steel - guitar ]  
Cause you're the one...
