

Hank Williams, I Ain't Gonna Love You Any More

I ain't gonna love you anymore

by Hank Williams

(D)No need for you to set alone,

just(G) waiting by your telephone

Cause(A7) I ain't gonna call you any(D) more.

(D)Oh I gave you love and you broke my heart,

And you(G) cheated on me from the start.

And(A7) now I ain't gonna love you any(D) more.

CHORUS

I(G) mean I ain't gonna love you any(D) more,

I know I couldn't love you as(A7) before.

So(D) I'm gonna tell you goodbye,

Don't(G) mind these tears there in my eyes

Cause(A7) I ain't gonna love you any(D) more

(D) My darlin' I just worship you,

and(G) look what you have loved me thru.

You(A7) left me with a heart so sick and(D) sore.

(D) Oh you're the one that was unfair,

It(G) wasn't in you to play square.

And(A7) now I ain't gonna love you(D) anymore.

(Repeat Chorus)
