

Hank Williams III, Fearless Boogie

Call me a pretty boy, they call me a saint
They call me a sinner, well it's gonna be the same
'cause I'm not afraid, and I'm not a-feared
I ain't gonna lose it, and I'm not scared

To do the fearless boogie, and do the fearless boogie
Smokin' fearless boogie until it's gone

They call me a Pontiac, the red in my neck
Well they call me a Cadillac - they call me a wreck
I'm not afraid, and I'm not scared
I ain't gonna lose it, and I'm not a-feared

To do the fearless boogie, and do the fearless boogie
Smokin' fearless boogie until it's gone

They call me a lover
They call me a fool
They call me a winner
The call me a mule

I do the fearless boogie - I do the fearless boogie
Smokin' fearless boogie until it's gone

Yeah, smoke it up boys
It's all about the fearless boogie

Good God - good God almighty
Good God - good God almighty
Good God - good God almighty
