

# Hank Williams III, Fearless Boogie

Call me a pretty boy, they call me a saint  
They call me a sinner, well it's gonna be the same  
'cause I'm not afraid, and I'm not a-feared  
I ain't gonna lose it, and I'm not scared

To do the fearless boogie, and do the fearless boogie  
Smokin' fearless boogie until it's gone

They call me a Pontiac, the red in my neck  
Well they call me a Cadillac - they call me a wreck  
I'm not afraid, and I'm not scared  
I ain't gonna lose it, and I'm not a-feared

To do the fearless boogie, and do the fearless boogie  
Smokin' fearless boogie until it's gone

They call me a lover  
They call me a fool  
They call me a winner  
The call me a mule

I do the fearless boogie - I do the fearless boogie  
Smokin' fearless boogie until it's gone

Yeah, smoke it up boys  
It's all about the fearless boogie

Good God - good God almighty  
Good God - good God almighty  
Good God - good God almighty
