

Hank Williams III, What Did Love Ever Do to You

(chorus)

Some day you'll find out what it means to be blue'Cause everybody pays for the things that they do
You broke something precious, sacred and true
Darlin', what did love ever do to you

(1st verse)

I still can't believe what I'm feelin'As my heart turns slowly to stoneI'm staring a hole thru the ceiling
The memory of your leaving won't let go

(repeat chorus)

(solo)

(2nd verse)

Your words built the walls of this prison
and like a fool I'm doin' time for you
I searched thru my mind for a reason
But when you left, you left me without a clue

(repeat chorus)

You broke something precious, sacred and true
Darlin', what did love ever do to you
