

# Hank Williams Jr., Country Music (Those Tear Je

Oh show me a home with a back breakin' lawn and a wife that nudge night and day  
And I'll show you a man with a drink in his hand  
Who stands over the jukebox and plays  
Country music those tear jerking songs about life the way it really is  
He's not happy at home so he'll play them old songs  
And dance with someone that's not his

When the man of the house has trouble with his spouse  
And she locks him out of the bedroom  
He'll just stroll down the street and some darlings he'll meet  
To have a drink and play them old tune  
Country music...

So take my advice and go out tonight to your favorite honky tonk bar  
Play some Haggard and Tubb or Jones or Acuff or yours truly H-W-J-R  
Or anyone else just as long as it's  
Country music those tear jerking songs about life the way it really is  
Have a good time tonight and hope that your wife don't ever find out what you did
