

Hank Williams Jr., Divorce Or Destroy

We've lived together for a long time but now the love is gone we once knew
We're old enough to know we can't live life this way
And young enough to start with someone new
So it's divorce or destroy each other which one of the two shall we do
You say in your heart there's no love left for me
And in my heart there's no love left for you

We've stayed together for the children but soon the kids will be grown and be gone
Yet we keep on destroying each other and Lord to live life this way it must be wrong
So it's divorce or destroy...
Yes in my heart there's no love left for you
