

Hank Williams Jr., I Don't Care (If Tomorrow Never

[with Gweorge Jones]

I don't care if tomorrow never comes
This world holds nothing for me
I've been lonely night and day ever since you went away
So I don't care if tomorrow never comes
If tomorrow never comes and the sun don't ever shine
It won't matter with me
For when she left away my world ended that day
So I don't care if tomorrow never comes

[piano]

My lonely mind goes back to days that used to be
My broken heart cries out for you
Oh if I can't have you here I can't go on my dear
So I don't care if tomorrow never comes
If tomorrow never comes...
George when she left away poor Hank my world ended that day
I don't care if tomorrow never comes
