

Hank Williams Jr., My Heart Won't Let Me Go

You don't care one thing about me and you never will I know
Still I hang around you darling you know I can't let you go
I know you will only hurt me just because I love you so
I know I should be leaving but my heart won't let me go
[steel]
Tonight when you are sleeping I will lie awake and cry
For in my heart I know that soon you'll say goodbye
How I hate to see tomorrow it will just bring tears and woe
I know I should be leaving but my heart won't let me go
