

# Hank Williams Jr., To Love Somebody

There's a light certain kind of light that never shone on me  
I want my life to be lived with you oh lived with you there's a way  
Everybody says to do each and every little thing  
But what does it bring if I ain't got you if I ain't got I ain't you baby  
You don't know what it's like baby you don't know what it's like  
To love somebody love somebody like I love you

There's a brain I see your face again I know my frame of mind  
You ain't got to be so blind cause I'm blind so very blind  
But babe I'm a man can't you see that I am  
I live and I breathe for you what good does it do  
Cause I ain't got you I ain't you baby  
You don't know what it's like...  
You don't know what it's like...  
You don't know what it's like...
