

Hank Williams, (Last Night) I Heard You Crying In

I know you tried your best to love me
You smiled when your heart told you to weep
You tried to pretend
You gave the best years of your life dear
And each precious vow you tried to keep
I love you so much
Your heart is yearning for an old love
It hurts me to know you are unhappy
But last night I heard you crying in your sleep
You know that you are free to go dear
And don't mind if I start to weep
I know I can never make you
