

Hank Williams, Mansion On The Hill

Tonight down here in the valley I'm lonesome and oh how I feel
As I sit here alone in my cabin I can see your mansion on the hill

[steel]

Do you recall when we parted the story to me you revealed

You said you could live without love dear in your loveless mansion on the hill

[fiddle]

I've waited all through the years love to give you a heart true and real

Cause I know you're living in sorrow in your loveless mansion on the hill

The light shines bright from your window the trees stand so silent and still

I know you're alone with your pride dear in your loveless mansion on the hill
