Hank Williams Sr., Fearless Boogie

Call me a pretty boy, they call me a saint They call me a sinner, well it's gonna be the same 'cause I'm not afraid, and I'm not a-feared I ain't gonna lose it, and I'm not scared

To do the fearless boogie, and do the fearless boogie Smokin' fearless boogie until it's gone

They call me a Pontiac, the red in my neck Well they call me a Cadillac - they call me a wreck I'm not afraid, and I'm not scared I ain't gonna lose it, and I'm not a-feared

To do the fearless boogie, and do the fearless boogie Smokin' fearless boogie until it's gone

They call me a lover They call me a fool They call me a winner The call me a mule

I do the fearless boogie - I do the fearless boogie Smokin' fearless boogie until it's gone

Yeah, smoke it up boys It's all about the fearless boogie

Good God - good God almighty Good God - good God almighty Good God - good God almighty
