

Hank Williams Sr., Sweet & Addictive

You don't even want to know
the shit I go through

You don't even wanna see
the hell it put me through

'Cause it's bad and it's rough
and it always calls your bluff

They call it sweet - and addictive
Sweet - and addictive
Sweet - and addictive
Sweet - and addictive

Hard times
Hard times
Hard times
Hard times

They call it sweet - and addictive
Sweet - and addictive
Sweet - and addictive
Sweet - and addictive
