

# Hanna Pakarinen, Fearless

It used to be - I believed - everything  
You said was real - I've had enough - I called your bluff  
now I can see your hoves and horns  
and now I'm getting out - ain't gonna hang around  
long enough - for it to hit the ground  
the same old lines - for which I fell  
for every single lie you tell

Now you see - the hold on me  
You had it's gone, gone, gone, gone

Doesn't matter what you say - I'm fearless  
Doesn't matter what you think - I couldn't care less  
Doesn't matter if you stay - doesn't matter if you go  
Don't give a damn no more - no

Doesn't matter what you do - you're not perfect  
Doesn't matter what you gain - it's not worth it  
it's not worth it - it's not worth it  
don't give a damn - cause I'm fearless

I used to think - without you here - what could I do  
You got me scared - you kept me down - while you played around  
I was lost a while but now I've found - myself again  
I've seen the light - I can't pretend  
I'm not here to fight - if you look again - into my eyes  
You will see that there's a different light

At last you see - the hold on me.....

Doesn't matter what you say - I'm fearless  
Doesn't matter what you think - I couldn't care less  
Doesn't matter if you stay - doesn't matter if you go  
Don't give a damn no more - no

Doesn't matter what you do - you're not perfect  
Doesn't matter what you gain - it's not worth it  
it's not worth it - it's not worth it  
don't give a damn - cause I'm fearless

I'm barely hanging on - but not afraid of falling  
not afraid of what will happen to me - to me  
and for the first time in my life I hear it calling  
(my) future calls for me
