

# Hanna Pakarinen, How Can I Miss You

you were right, i was wrong  
it doesn't mean, i want you gone  
takin' it easy, just hangin' out  
even when i'm happy, seems that you're in doubt

well, it's all about communication  
so, i say this for your information

just because i like you, don't mean i need you  
you don't have to be here every day  
just because i'm with you, don't mean i have to  
i don't wanna diss you  
but how can i miss you  
when you never go away

can get too much of something good  
you always call me, cause you think you should  
just relax and let it be  
i'll come around, eventually

let's make certain what is fact or fiction  
though it may sound like a contradiction

just because i like you...

i don't need a long vacation  
but, now and then, just pass my station  
how i wish you understood  
that i don't wanna diss you  
i just wanna miss you

just because i like you...
