

# Hanna Pakarinen, Love is like a song

I started out to find my dream  
I gave it all.  
But nothing worked 'till I found you  
I knew I had to take a chance  
I made the call  
Sometimes you got to follow through  
Now, as I'm standing here  
Looking at you tonight  
I just know deep down inside  
That I was right  
Our love is like a song  
That we can sing together  
Sometimes we get it wrong  
It really doesn't matter  
There's nothing else so true  
As the melody in you  
Just knowing that you're there  
Just knowing we belong  
Our love is like  
A song  
Tell me, is it love I feel?  
Cause baby, this is so unreal  
Tonight is changing everything  
Been walking through the shades of grey  
'till I turned the night today  
This love is changing everything  
Now, as I'm standing here  
Looking at you tonight  
I just know deep down inside  
That I was right  
Our love is like a song  
That we can sing together  
Sometimes we get it wrong  
It really doesn't matter  
There's nothing else so true  
As the melody in you  
Just knowing that you're there  
Just knowing we belong  
Our love is like  
A song  
We're sing it over and over  
Cause that's the way it goes  
The highs and lows  
In perfect harmony  
In perfect harmony  
For life  
Our love is like a song  
That we can sing together  
Sometimes we get it wrong  
It really doesn't matter  
There's nothing else so true  
As the melody in you  
Just knowing that you're there  
Just knowing we belong  
Our love is like  
A song  
Our love is like a song
