

Hanna Pakarinen, Run

(If you need help, hang up, and then dial your operator)

Let go baby,
don't you hold me back,
I need your love like a heart attack

Let go baby,
everything we had,
is gone, is gone, is gone

Let go baby,
I don't need your kiss,
too bad baby,
no time for this

Let go baby,
everything we had,
is gone, is gone, is gone

Now don't be sorry,
don't you even cry one tear

Run run run run,
gotta get out of here
(gotta get out of here)
run run run run,
making it dissappear,
cause we're going nowhere

Let go baby,
coming up for air,
too bad baby,
anywhere but here

Let go baby,
cause I don't care,
it's gone, it's gone, it's gone

I won't be sorry,
I won't even cry one tear

Run run run run,
gotta get out of here
(gotta get out of here)
run run run run,
making it dissappear,
cause we're goin nowhere

Feel the sun,
all I need is to breath again,
be real again,
on my own, on my own

Run run run run,
gotta get out of here
(gotta get out of here)
run run run run,
making it dissappear,
cause we're going nowhere
