Hanna Pakarinen, You Don't Even Know My Nam

Baby, I'm your little mistress Waiting for a ring From my king now You're my knight in shining armour I'm your maiden in distress I'm such a mess now You've just ruined my make up baby You don't even know my name You just don't care but still you hunt me You don't really feel the same I'm dying to make you want me, want me too 'Cause I want you I want you I could see our future clearly So tell me, who's that girl? Who holds your hand now Baby, I forgive you I know she means nothing to Means nothing to you You've just ruined my make up baby...
