Hannah Fury, Don't Be Scared

Don't be scared to decode
I know it seems sometimes there is no hope
Don't be scared
You're not alone
Don't be scared
Please just don't be scared
Don't be scared
Don't be sad
It will be all right
This too shall pass
Just get through one more night
Don't be sad
Give us a smile
Don't be sad
Just try a while
Don't be sad
It'll be all right
Don't be sad
Just get through one more night
Don't be sad
Just give us a smile
Don't be sad
Don't be scared to feel afraid
Nightshade and bile, I am erased
The words you say
will keep you safe
And it's all the hurt
that will be erased
So don't be scared
Don't be scared
Don't be scared
And don't be sad
