

# Hannah Montana, The Climb

I can almost see it  
the dream Im dreamin  
But Theres a voice  
Inside my head sayin  
Youll never reach it  
Every step Im taking  
Every move I made fells  
Lost with no direction  
My fate is shaking  
But I gotta keep trying  
Gotta keep my head held high

Chorus:

Theres always gonna  
Be another mountain  
Im always gonna  
Wanna make it move  
Always gonna be  
A up-hill battle  
Sometimes were gonna have to lose  
Aint about ho fast I get there  
Aint about whats waiting  
On the other side  
Its the climb  
The struggles Im facing  
The chances Im taking  
Sometimes it might knock me down  
But no Im not breaking  
I may not know it  
But this are the moments most, yeah  
Just gotta keep goin  
And I, I got to be strong  
Just keep pushing, oh

Chorus:

Cause Theres always gonna  
Be another mountain  
Im always gonna  
Wanna make it move  
Always gonna be  
A up-hill battle  
Sometimes were gonna have to lose  
Aint about ho fast I get there  
Aint about whats waiting  
On the other side  
Its the climb,  
Yeah  
Theres always gonna  
Be another mountain  
Im always gonna  
Wanna make it move  
Always gonna be  
A up-hill battle  
Sometimes were gonna have to lose  
Aint about ho fast I get there  
Aint about whats waiting  
On the other side  
Its the climb  
Keep on movin  
Keep climbin  
Keep the faith  
Baby  
Its all about  
Its all about  
The climb  
Keep the faith

Keep your faith
