

Hanoi Rocks, Lightnin' Bar Blues

Alright

I don't need no diamond rings

I don't need no Cadillac car

I just wanna drink my ripple wine

Down in the Lightnin' Bar

Well some men value fortune and fame

I don't care about none

I just wanna drink my ripple wine

I wanna have my good time fun

Have my good time fun

Oh yeah, ooh

Oh yeah when I die don't bother me

Well don't bury me at all

Just place my livin' lovin' laughin' bones

In a jar of alcohol

A jar of alcohol

Everybody now

In the Lightnin' Bar
