

Hanoi Rocks, Visitor

I'm not sorry 'bout the things that I've done to you
I'm not sorry, I never felt this good
All I wanted was to get to you
And hurt you for a while
I'm a trespasser in your company
Looks like it's me who fill your thoughts and your diary
Just as fast as my moment comes
I'll turn out to be a memory
The day I came was the day I left
Now you're just like all the rest
I only take I take the best
Like you used to be, now you're left in lunacy
I'm just a visitor, visitor, visitor, visitor...
I'm not sorry 'bout the things that I've done to you
I'm not sorry, I never felt this good
All I wanted was to get to you
And hurt you for a while
My romance, you're in a trance
I'll destroy all of your plans
Just as fast as my moment comes
I'll turn out to be a memory
The day I came was the day I left
Now you're just like all the rest
I only take I take the best
Like you used to be, now you're left in lunacy
I'm just a visitor, visitor, visitor, visitor...
