

# Hanoi Rocks, You Make The Earth Move

(M. Monroe & A. McCoy)

Exiled in my bedroom  
Feel jackhammers in my head  
A Southern Russian chill comes over me

Well, I might have just mistaken you for  
Somebody who cares  
If that's the case, excuse me and let me live  
Let me live

\* Everything I wanted  
Everything I needed  
I just went and got me scored  
Everything I got and  
Anything I tried  
But I just wound up needing more \*

I FEEL THE EARTH MOVE  
UNDER MY FEET  
I SEE THE STARS RULE  
THE CIRCLE'S COMPLETE  
YOU MAKE THE EARTH MOVE  
UNDER MY FEET AND MY HEART BEAT

The last thing I remember  
Was the first thing on my mind  
Your eyes shone like two diamonds  
And so did mine  
- Another lifetime

\* Everything I wanted  
Everything I needed  
I just went and got me scored  
Everything I got and  
Anything I tried  
But I just wound up feeling floored \*

I FEEL THE EARTH MOVE  
UNDER MY FEET  
I SEE THE STARS RULE  
THE CIRCLE'S COMPLETE  
YOU MAKE THE EARTH MOVE  
UNDER MY FEET AND MY HEART BEAT

\*guitar\*

I FEEL THE EARTH MOVE  
UNDER MY FEET  
I SEE THE STARS RULE  
THE CIRCLE'S COMPLETE

YOU MAKE THE EARTH MOVE  
UNDER MY FEET  
YOU MAKE THE EARTH MOVE  
AND MY HEART BEAT
