

# Hanson, A Minute Without You

Well I woke up this morning  
And the night had been so long  
It seems that I have had my mind on you  
Well the day, it has begun, and I can't get a minute, can't get a  
minute without you (oh yeah)  
You're always on my mind, you're always in my head  
And I can't live, I can't live another day without you  
'Cause when the minutes seem like hours and the hours seem like days  
Then a week goes by you know it takes my breath away  
All the minutes in the world could never take your place  
There's one-thousand-four-hundred-forty hours in my day  
I've been trying to call you all day, 'cause I got so many things  
that I want to say (oh yeah)  
I'm going crazy, 'cause all my thoughts are filled with you  
There's got to be some way I can get through to you ohh

(Repeat Chorus)

I can't keep myself from thinking about you  
It's because I love you, and I know that it's true, whoooa  
I'll call it desperation, can't you see it in my eyes?  
That I want be with you until the sun falls from the sky

Repeat Chorus)
