## Hanson Brothers, Mmbop

You have so many relationships in this life
Only one or two will last
You're go through all the pain and strife
Then you turn your back and they're gone so fast
And they're gone so fast

Oh so hold on the ones who really care In the end they'll be the only ones there When you get old and start losing your hair Can you tell me who will still care Can you tell me who will still care, oh care

Plant a seed, plant a flower, plant a rose You can plant any one of those Keep planting to find out which one grows It's a secret no one knows It's a secret no one knows

In an mmmbop they're gone

In an mmmbop they're gone. In an mmmbop they're not there In an mmmbop they're gone. In an mmmbop they're not there In an mmmbop they're gone. In an mmmbop they're not there In an mmmbop they're gone. In an mmmbop they're not there Until you lose your hair. But you don't care

Can you tell me
No you can't 'cause you don't know
Can you tell me
You say you can but you don't know
Can you tell me which flower's going to grow
No you can't 'cause you don't know
Can you tell me if it's going to be a daisy or a rose
You say you can but you don't know
Can you tell me which flower's going to grow
No you can't 'cause you don't know
Can you tell me
You say you can but you don't know
You say you can but you don't know
Don't know oh, You don't know oh
