

# Hanson, Ever Lonely

Well if you're ever lonely you can call on me  
And I'll be here for you all you've got to do is call  
Said I'm always waiting here for you all you've got to do  
Is keep on trying till your call gets through

And for so many years I have been your friend  
We've been through everything time and time again  
But I want you to know that I still believe in you  
All you've got to do is keep on trying till your call gets through  
(repeat chorus)

You got to keep trying even though the road gets hard  
You got to keep going on even though he broke your heart  
And if you ever need a friend I will be here for you  
All you've got to do is keep on trying till your call gets through  
(repeat chorus)
