

# Hanson, More Than Anything (reprise)

I love you more than anything  
than anything, I do  
And I'd give anything and everything  
I have just to be with you  
These feelings I hold inside  
Are emotions I can not hide  
These feelings will not subside  
I'd give anything, anything

When I look into your eyes  
I see something special about you  
And when I hold your hand  
You seem to understand that  
(repeat chorus)

When I think of life without you  
It brings me right down to my knees  
'Cause I can't imagine life without you  
You're my strength the thing that keeps me holding on

Oh I'd do things that can't be done  
I'd fly to the moon and then around the sun  
If you just say that I'm the one  
I'd do anything, well  
(repeat chorus)

I'd give anything  
You know I'd do anything for you  
I love you more than anything  
More than anything
