Hanson, More Than Anything (reprise)

I love you more than anything than anything, I do And I'd give anything and everything I have just to be with you These feelings I hold inside Are emotions I can not hide These feelings will not subside I'd give anything, anything

When I look into your eyes
I see something special about you
And when I hold your hand
You seem to understand that
(repeat chorus)

When I think of life without you It brings me right down to my knees 'Cause I can't imagine life without you You're my strength the thing that keeps me holding on

Oh I'd do things that can't be done I'd fly to the moon and then around the sun If you just say that I'm the one I'd do anything, well (repeat chorus)

I'd give anything You know I'd do anything for you I love you more than anything More than anything
