

# Hanson, River

Lately we've been talking 'bout who we are  
Seems we don't know anymore  
And all this time that we've been thinking  
At night I've been dreamin' about you

And I know you don't believe me when I say  
I'll love you 'till the end forever and a day

I guess we'll never know (never know)  
Exactly where this river's gonna flow  
And I guess we'll never understand (oh)  
Until we reach that promise land  
So I guess we'll  
I guess we'll never know

Well people say that we're sweethearts  
They say nothing in the world can tear us apart  
Well I don't know about you  
But this thing we're going through is tearing me in two

And I know you don't believe me when I say  
I'll love you 'til the end, forever and a day

And I guess we'll never know (we'll never know)  
Exactly where this river's gonna flow  
And I guess we'll never understand (understand)  
Until we reach that promise land  
So I guess we'll  
I guess we'll never know

Yeah  
Guess we'll never know, ooohhh  
I guess we'll never know  
Exactly where this river's gonna flow  
And I guess we'll never understand  
Until we reach that promise land  
So I guess we'll  
I guess we'll never know

I said I guess we'll never know  
Exactly where this river's gonna flow  
And I guess we'll never understand  
Until we reach that promise land  
So I guess we'll  
I guess we'll never know  
Yeah yeah yeah woah
