

# Hanson, This Time Around

It's getting colder in this ditch where I lie  
I'm feeling older and I'm wondering why  
I heard they told her it was tell and live or die  
I didn't know her but I know why she lied  
I didn't know her but I know why she died  
Yeah

chorus

You can't say I didn't give it  
I won't wait another minute  
We're on our way this time around  
Whoa yeah  
You can't say I didn't give it  
I won't wait another minute  
We're on our way this time around  
Yeah  
And we won't go down  
Yeah

I heard them say that dreams should stay in your head  
Well I feel ashamed of the things that I've said  
Put on these chains and you can live a free life  
Well I'd rather bleed just to know why I died

Yeah

You can't say I didn't give it  
I won't wait another minute  
We're on our way this time around  
Whoa yeah  
You can't say I didn't give it  
I won't wait another minute  
We're on our way this time around

And we won't go down  
And we won't go down  
And we won't go down  
Yeah  
And we won't go down  
Yeah

Well all I know is that fear has got to go  
This time around  
This time around

I've started feeling like I don't want to fight  
Give in to the given and put out the light  
Cannons ablazing shower these moonlit skies  
Then I remember and I know why he died  
Do you know why I'd die  
Yeah

(chorus 2x)

And we won't go down  
And we won't go down  
And we won't go down  
Yeah
