

# Happy Hardcore, Shooting Star

Like a shooting star  
Across the midnight sky  
Wherever you are you're gonna see me fly

(Across the midnight sky)

Where were you to hold my hand  
Do the things that we had planned  
Yes I need you by my side  
When things go crazy  
I just need to know you're here  
Guarantee that you'll be there  
When I wake up in the night  
Will you be my guiding light

I don't care how far  
I'll take a plane, tonight  
Just tell me where you are and everything's gonna be all right

Like a shooting star  
Across the midnight sky  
Gonna fly, just to be with you tonight

So high
