

Happy Hardcore, You And Me

Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah
Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah

Love is like a fantasy for you and me
Together we will live in harmony
You and me, oh baby, can't you see
Our love will last eternally

I want you and you want me
Together we will dream of extacy
You and me, oh baby can't you see
Our love will last eternally

Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah
Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah

Love is like a fantasy for you and me
Together we will live in harmony
You and me, oh baby can't you see
Our love will last eternally

I want you and you want me
Together we will dream of extacy
You and me, oh baby can't you see
Our love will last eternally

Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah
Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah

Love is in your heart
And you and me will be together
But love is meant for me
It's not for amateurs
It's in your dreams

Love is like a fantasy for you and me
Together we will live in harmony
You and me, oh baby can't you see
Our love will last eternally

I want you and you want me
Together we will dream of extacy
You and me, oh baby can't you see
Our love will last eternally

Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah
Haah, haa-aa-aah, haa-aa-aah, ha-aa-aah
