

Harbourlight, My Soul Finds Rest

My soul finds rest in God alone
My salvation comes from Him
He alone is my rock, my fortress
I shall never be shaken
I will trust Him at all times
I will trust Him at all times
Though mountains fall and waters rise
He is the rock that is higher than I

As I fall down at Your feet
You lift me higher
As I fall down at Your feet
You lift me higher

Find rest my soul in God alone
He is mighty to save and unfailing
He alone can lift me higher
Where I'll never be shaken
