

Harbourlight, Praise The Everlasting

How can I tell of all You've done for me
Your life laid down to set mine free
Call it mercy, call it grace
All I know is by it I've been saved

Hallelujah

I walk in new life so undeserved
Because You came down to walk this earth
Call it mercy, call it grace
By it one day I see Your face

I've turned away
I've gone astray
I've been unfaithful
But You have remained
Always the same
Always faithful

Hallelujah, praise the Everlasting
Hallelujah, God You are unfailing
Hallelujah, I will testify
Hallelujah, I was dead now I'm alive
