## Hard-FI, Cash Machine

Go to a cash machine To get a ticket home Message on the screen Says don't make plans, you're broke No, no this can't be right I know that time is tight I've only just been paid Three weeks five days, til I'm seen Right... No... I scratch a living, it ain't easy You know it's a drag I'm always paying, never make it But you can't look back I wonder if I'll ever get To where I want to be Better believe it I'm working for the cash machine

I try to phone a friend My credit's in the red I try to skip the fare Ticket inspector's there No no, this can't be right I live an honest life It seems like sometimes You don't cross the line You don't get By... No...

I scratch a living, it ain't easy You know it's a drag I'm always paying, never make it But you can't look back I wonder if I'll ever get To where I want to be Better believe it Yeah...

What am I gonna do
My girlfriend's test turned blue
We tried to play it safe
That night we could not wait
No no, this can't be right
She said it would be alright
I can't afford to be a daddy
So I leave tonight...
No...

I scratch a living, it ain't easy
You know it's a drag
I'm always paying, never make it
But you can't look back
I wonder if I'll ever get
To where I want to be
Better believe it
I'm working for the cash machine
Cash machine
Cash machine ...

There's a hole in my pocket, my pocket, my pocket There's a hole in my pocket, my pocket, my pocket There's a hole in my pocket, my pocket, my pocket There's a hole in my pocket Yeah yeah yeah yeah
