

Hard-Fi, Gotta Reason

Hung around here long enough
I've seen the smooth, but only caught the rough
I've got no reason
Ooh no, I got no reason.
Disco on the radio
I ain't got no place to go
I got no reason
Ooh no I got no reason

But wait,
See the new girl in town
Maybe I can show you round
Baby let's generate some heat

Gotta reason
Ooh now I've gotta reason

Hey hey baby you knock me out
Make me want to scream and shout
I've gotta reason
Now, I've gotta reason

You can make it all worth while
I like your face girl, I like your style
You've gotta reason
Oh now I gotta reason

Yeah you look so good
I want to eat you up like food
Oh, baby lets generate some heat
I've gotta reason
Ooh now I've gotta reason.

(Alright, let's go, woohah, check it out, check it out yeah)

Gotta get my head just right
Gotta make my move tonight
I've gotta reason
Now I've gotta reason
Ooh, I've gotta reason
Ooh now I've gotta reason
Ooh now I've gotta

Gotta reason, gotta
Gotta reason, gotta
Gotta reason, gotta
Gotta reason, gotta
Gotta reason, gotta
Gotta reason, gotta
Gotta reason, gotta
Gotta reason, gotta
