

# Hard 'N Phirm, Rodeohead

(Everything In Its Right Place)  
Everything,  
Everything

(Planet Telex)  
You can force it but it will not come  
You can taste it but it will not form  
(Chasing you home)  
Everything is broken  
Everyone is broken

(2+2=5)  
I'll stay home forever  
Where two and two  
Always make a five

(Instrumental from No Surprises)

(Optimistic)  
You can try the best you can  
You can try the best you can  
The best you can is good enough  
You can try the best you can  
You can try the best you can  
The best you can is good enough  
The best you can is good enough  
The best you can is good enough...

(You & Whose Army?)  
We rise tonight, we ride tonight  
We rise tonight, we ride tonight

(Karma Police)  
This is what you get  
This is what you get  
This is what you get, when you mess with us

(Knives Out)  
Knives out, catch the mouse  
Squash his head, throw him in the-

(Creep)  
She's running out again  
(So effin' special)  
She's running out  
She runs (runs!)  
Runs (runs!)  
Runs (run baby, run!)

(Instrumental from The National Anthem)

(Morning Bell)  
Release me, release me  
Cut the kids in half (come on!)  
Cut the kids in half  
Cut the kids in half

(How To Disappear Completely)  
That there, that's not me  
I go where I please  
I'm not here

(Instrumental from Just)

(Fake Plastic Trees)  
She looks like the real thing  
She tastes like the real thing  
My fake plastic girl

((Nice Dream))  
Nice dream  
(If you think that you're strong enough)  
Nice dream  
(If you think you belong enough)  
Nice dream  
Come on!

(Paranoid Android)  
That's it, sir! You're leaving  
The crackle of pigskin  
The dust and the screaming  
Them yuppies networking  
The panic, the vomit  
The panic, the vomit  
God loves his children  
(Copy that, God loves his children. 10-4.)

(Instrumental from Subterranean Homesick Alien)
