Hardcore Superstar, Slide Song

You're makin' me crazy girl
You make me mad
You're makin' me crazy girl
Love kills me every day

CHORUS
The main thing to keep me going on
Is the lies I tell myself
Some times it makes me so wild
Climbing this ladder looking down
Sometimes I don't know what to do (2x)

You make me want to kill you girl
You make me mad
You're makin' me crazy girl
Love kills me every day

CHORUS
