

# Hardline, Weight

I should have let you know  
I should have had the balls to say  
I tripped my faith and fell on my face  
I should have of let you find your peace  
Your peace of mind and now you're my...

[Refrain:]

Weight weight weight weight weight weight  
It's what you are it's what you are the...  
Weight weight weight weight weight weight  
It's what you are it's what you are to me

I should have let you know  
I should have had the balls to say  
You slipped my mind almost tried  
So where you gonna find  
Where you gonna find your peace  
It's over done and you're my...

[Refrain]

Every single day is hard to find when you want to shine  
Every single day is like you're blind  
And let me save it save it  
Go and let the world pass you by  
And I wouldn't let ya  
See no love I see no love see no love  
Feel no love

[Refrain]
