

# Harem Scarem, Cages

(Hess/Lesperance)

Life impure has challenged your will from the start

Minds and human nature irreparably marred

Lies have fueled the fountain of leaking regard

Blind and cruel through the fear and the doubt

Faith is leading us out of our

Cages

Rebelling the human ruin

In stages

Indifference consuming you

For a violent new moon

Pride and truth can carry the flesh through the hard times

Can you a nation of cancerous clots

Bind into people emphatically charmed

Tried and true

Through the fear and the doubt

Faith is bringing us out of our

Cages

Rebelling the human ruin

In stages

Indifference consuming you

Some pages of life still eluding you

Contagious

Indifference consuming you

For a violent new moon

Life impure has challenged your will from the start

Minds and human nature irreparably marred

The crowning jewel that jealously feeds from the heart

Writhe and brute

A dynasty falls so divided we crawl into our
