

# Harem Scarem, Honestly (Acoustic)

I stand before you accused of many crimes  
But I want to believe that love can still survive  
You don't have to say it, I don't have to read your mind  
To know that emptiness has finally arrived  
How was I to know right from wrong  
Words were hardly spoken, so where did I go wrong  
(Chorus) Tell me honestly, if you're still loving me  
Looking into my eyes honestly  
Words have more meaning, if they're said at certain times  
I need you now so I can feel alive  
How would you know if you won't give me some time  
To see if everything could work you'll be mine  
I'll be lost forever or someday I may find  
The words that I've been searching for or just some peace of mind  
Chorus  
All the nights I sit and wonder there must be more life  
I'm sure that days and years go by while  
I am living with, living with a lonely feeling  
Chorus
